

Eugene R. Bonynge Memorial Graduate Student Scholarship

The Eugene R. Bonynge family and Woodland Centers sponsor a **\$1000** annual scholarship award for a graduate student in the behavioral sciences.

Eugene R. Bonynge, Ph.D., was Woodland Centers' Chief Executive Officer from 1995 to January 24, 2010 when he died unexpectedly. As the CEO of a rural community mental health center, Dr. Bonynge was acutely aware of the challenges recruiting and retaining mental health professionals.

The Eugene R. Bonynge Memorial Graduate Student Scholarship was inspired by a wish to honor his legacy as a behavioral healthcare professional, researcher and administrator, and the desire of the Bonynge family to contribute to the professional development of a graduate student with roots in Minnesota.

Woodland Centers would like to aid in reaching the goals and aspirations of all individuals engaged in behavioral health studies. We have employment opportunities that may qualify individuals for government tuition reimbursement programs. Woodland Centers has a wide array of adult and youth programs and serves a seven county area. We are a highly reputable and long standing community mental health center celebrating 60 years of service. We encourage interested applicants to visit the Woodland Centers website at www.woodlandcenters.com or visit us on Facebook for more information about our agency and services.
